

SPECIAL PERFIN AT LA PALMA

A special July 4th celebration at La Palma, California, will feature first day use of a Perfin designed by Club Member John Burns. As chairman of La Palma's "City of Vision Day" committee, Burns persuaded city officials to make use of the Perfin.

The theme of La Palma's July 4th celebration will be "Skilled Hands for Independence," and it will pay respect to two of America's great recreational interests - stamps and baseball.

The first day of use Perfin cover will be on sale on July 4th at City Park in La Palma. Orders for the cover should be addressed to City of Vision - Perfin, P.O. Box 6143, Buena Park, CA 90620. The price is 75¢ per cover, plus postage of 13¢ for mailing up to four covers. A block of four of the Perfinned "Skilled Hands" stamp, instead of a single, may be had on the cover for an additional 53¢.

A combination First Day of Issue and First Day of Use Perfin cover may be ordered for \$1.53, plus postage of 13¢ for mailing up to four covers. For a single stamp on cover, the price is \$1.13, plus postage of 13¢ for mailing up to four covers. A mint set of the Perfinned "Skilled Hands" stamps may be purchased for 70¢, plus 13¢ postage.

Orders which include First Day of Issue requests must be received by July 7, 1977. After that date only orders for the first day

of use will be filled, subject to the supply on hand. To receive a first day of use cover directly from the city of issue include a mailing label with your address. Otherwise the cover will have the City of Vision address when you receive it. You may furnish your own addressed cover, if you so desire, but the price per cover will still be as stated above.
